Re: Docket 20160248-WS: Application for original certificates to provide water and wastewater service in Polk County by Deer Creek RV Golf & Country Club, Inc.

Dear Mr. Buhr,

In order for staff to complete its review of your application, please provide a response to the following request for additional information and clarification.

1. Please provide the billing records from July 1, 2016 through June 30, 2017 for Deer Creek's customers. Include the number of residential and general service customers.
2. Does Deer Creek currently have any miscellaneous and/or service availability charges? If so, provide those charges.
3. In the application, Exhibit E, Deer Creek provided the legal description of its service area. The service area description describes the boundary of the service area. The description did not include a "Less and Except" metes and bounds description for the Mockingbird and Commercial North areas, since these areas are not customers of Deer Creek. Please update the legal description of Deer Creek's service area.

Please file all responses electronically no later than Friday, September 8, 2017, via the Commission's website at www.floridapsc.com by selecting the Clerk's Office tab and Electronic Filing Web Form. Please contact me at wtaylor@psc.state.fl.us or 850-413-6175 if you have any questions.

Thank you,

/s/ Wesley Taylor
