Good afternoon Rick, per this email will "inactive" GENON. Question, do we need to add King-Murry to the Gas safety "GS" list? If so, could you furnish me their address, phone, fax, contact person's name, title and email address so that I can enter it into MCD. Thanks, Nonnye

GenOn no longer operates in the State of Florida. King-Murry took over the operation of the pipeline. You can proceed with marking Genon inactive.
