Re: Docket No. 20170175-EU – Joint petition for approval of amended territorial agreement in Orange and Osceola Counties, by Duke Energy Florida, LLC and Reedy Creek Improvement District

Ms. Triplett and Mr. McGowan:

By this letter, Commission staff requests the following information from Duke Energy Florida, LLC and Reedy Creek Improvement District (RCID).

1. Please provide a copy of an official Florida Department of Transportation General Highway County map for each affected county depicting boundary lines established by the territorial agreement, as required by Rule 25-6.0440(1)(f), Florida Administrative Code (F.A.C.).
2. Referring to paragraph 4 of the petition, please confirm that 1994 is the beginning date of the existing agreement.
3. Do the parties intend to abide by the terms of the existing agreement for the period of time between its September 30, 2017 expiration and Commission approval of the proposed amended agreement? If not, please explain.

4. Referring to the last paragraph on page 3 of the petition, please list and explain any differences between the existing agreement and the proposed amended agreement.
5. Rule 25-6.0440(2)(b), F.A.C., includes the standard that there is a “reasonable likelihood that the agreement, in and of itself, will not cause a decrease in the reliability of electrical service to existing or future ratepayers.” Please address this with regard to your proposed amended agreement.
6. Is it the intent of Duke or RCID to purchase any facilities from each other? If yes, please provide an estimate of the purchase price.
7. Please refer to paragraph 6 of the petition for the following questions:
 - a. Are the parties seeking approval of the modifications listed in this paragraph in the proposed amended agreement? Please explain.
 - b. If any of the modifications listed in this paragraph have already been approved by the Commission, please provide the order number for each approved modification.
 - c. Please provide a map that displays the areas listed in this paragraph before and after the modifications described in this paragraph.

Please file all responses electronically no later than Thursday, August 31, 2017 via the Commission’s website at www.floridapsc.com by selecting the Clerk’s Office tab and Electronic Filing Web Form. Please feel free to call me at 850-413-6540 if you have any questions.
