**COMPLAINT INFORMATION**

Complaint: Other Complaint against Pluris Wedgefield, Inc.  
Details:

I would like to formally complain about Pluris Wedgefield. We are being charged a RIDICULOUS amount of money for substandard water. MANY tests have been done to show this water is not fit for consumption. Clothes are being bleached in the washing machine, and smells come from faucets often. The water is not suitable for human nor animal consumption and I demand Orange County step in and do something! It's been ALL over the news, and petitions have been signed, it's time to see some action!
