Good morning Laura, here is the email that we just spoke about, that I have received regarding Homestead Energy Services, Company/Utility Code EM861 changing their name to City of Homestead. Since the municipally owned do not have to be approved prior to changing their name by the Commission, I just need for you to give me the OK. Once I get that from you I came update MCD with the correct name and FEID number. Thank you for your help in this matter and have a nice day.

Good afternoon,

Attached is the Change of Information form for the City of Homestead EM861 (Previous DBA: Homestead Energy Services). We are no longer under the name of Homestead Energy Services. We are the City of Homestead and we are also changing our FEIN to 59-6000339.

Thank you,

Good afternoon ladies,

I sincerely apologize for the delay in sending this e-mail. After speaking with my Finance Department and the City Clerk, I was instructed to verify with our lawyers, so that was my hold up. We will no longer be using the DBA of Homestead Energy Services. Instead we will now be going by The City of Homestead. I was also informed to use the FEIN 59-6000339 instead of the one I provided you earlier ending in 2487. I have informed the other person that submits reports to you from our department (William Branch).

I recently submitted our Muni Electric Utility Regulatory Assessment Fee Return using "Homestead Energy Services" and the old FEIN. Do I need to do anything to correct this or just begin using the correct name and FEIN from now on?

I am glad that I got your call this morning so that we are now aware of the correct name and FEIN to use. Please let me know if there is anything else I can assist you.

Thank you and have an ELECTRIC weekend!
