Subject: Pluris

Dear Commissioner Brown,

My name is Roberta Player and I live in Wedgefield. Right now we have Pluris as our water company and they put in for an increase which not be fair to the customer of Wedgefield.

Our water in Wedgefield bleaches my families cloths & my dog has skin issues. The water bills out here are already so high that having increasing is going to upset a lot of people in the community. We have been fighting to trying to get Pluris out of our community.

This increase can not happen. Please don't let it happen

Thank you

Sincerely;

Roberta Player
