Thank you for the confirmation, Mike. Per your request, we have moved consumer correspondence DN 07380-2017 from Docket 20171083 to consumer correspondence for Docket 20170001.

Dorothy,

As we discussed, my Division managers asked me to review the consumer comments that are identified in this link, and decide the appropriate docket they should be filed under.

Based on my review, DN 07380-2017 should be moved out of the correspondence side of DN 20171083-EI (Duke's limited proceeding docket) and moved into the correspondence side of DN 20170001-EI (the Fuel Cost Recovery Clause docket).

Please contact me if you have any questions about this.

Thanks, Mike

Hey Michael,

Per our conversation this morning, would you please look over these three consumer comments. I just looked at the first one, and believe it refers to the fuel docket, rather than the revised and restated settlement agreement. For any of these you believe relate to fuel, would you ask the Clerk's Office to move them to the 01 docket?

Thank you!
