Re: Notification of Changes to AT&T Florida's ETC Designated Territories in Florida

Dear Mr. Gaither:

In its petition, AT&T Florida requested to retain its ETC designation in the CAF II census blocks (the retained area) and relinquish its ETC designation in all other portions of its remaining service territory (the relinquishment area), where it is no longer eligible for high cost universal service support.

The FPSC approved AT&T Florida's petition in Order No. PSC-2017-0290-PAA-TP, which became effective on August 16, 2017. A copy of the FPSC's Order approving AT&T Florida's petition along with a list of the areas wherein AT&T Florida will retain its ETC designation in Florida is attached.
