**Re: Docket 20160248-WS: Applicant's Response to Staff's Data Request.**

Dear Mr. Taylor:

The Applicant responds to the Staff's First Data Request as follows:

1. *Please provide the billing records from July 1, 2016 through June 30, 2017 for Deer Creek's customers. Include the number of residential and general service customers.*

The billing records are attached.

2. *Does Deer Creek currently have any miscellaneous and/or service availability charges? If so, provide those charges.*

Yes, Deer Creek currently has miscellaneous charges as follows:

Deer Creek's contract sub-meter billing company, NES, does charge a \$10.00 fee for new move-ins as well as \$15.00 late fees and \$30.00 NSF fees. This revenue flows directly to NES and is not presently income to Deer Creek.

When a resident purchases a new meter for an undeveloped lot, there is a fee for the meter and billing, however, the amount depends on how many months are left in Deer Creek's loan for the meters. The base fee is \$216 for the meter but the billing fees will fluctuate until October 2017 when the meter loan will be paid off. There is no separate meter installation fee.

At this time Deer Creek does not turn off water for nonpayment, therefore, there are no disconnect or reconnect fees.

As of right now there are no billing or meter reading charges on the water bills. These fees, to my understanding, are currently being applied to the new meter bills.

For the commercial accounts at the commercial properties south of the entry road ("Commercial South"), they are being charged \$3.78 for billing and \$0.49 for postage.

- 3. In the application, Exhibit E, Deer Creek provided the legal description of its service area. The service area description describes the boundary of the service area. The description did not include a "Less and Except" metes and bounds description for the Mockingbird and Commercial North areas, since these areas are not customers of Deer Creek. Please update the legal description of Deer Creek's service area.*

The amended service area description is attached.

As always, we remain available for any additional questions you might have as to our response.

Sincerely,

**GERALD T. BUHR, P.A.**
