Subject: Electronic Service

Hello,

I am with SQF, LLC, a recently certificated CLEC in Florida (Certificate of Authority No. 8905, order attached) and have been receiving facsimile notifications stating that my e-mail address of record is unavailable.

I would like to take this opportunity to notify the PSC that my email address is nbournakel@tilsontech.com, so all future notifications may be sent to this address.

Many thanks,

Nick Bournakel
