Re: Re: Docket No. 20170155-WU - Application for grandfather water certificate in Leon County and application for pass through increase of regulatory assessment fees, by Seminole Waterworks, Inc.

Dear Commission Clerk,

Seminole Waterworks, Inc. (Seminole) hereby submits support calculations for certain Miscellaneous Service Charges in the above referenced docket. The existing charges were in existence at the time of acquisition. Seminole acknowledges that some of these charges are higher than comparable utilities. Seminole is not opposed to revising these charges similar to one recently approved by the Commission in Order No. PSC-2017-0334-PAA-WS, issued August 23, 2017.

Respectfully Submitted,

Troy Rendell
Manager of Regulated Utilities
// for Seminole Waterworks, Inc.
