Re: MCC Telephony of Florida, LLC Revisions to Access Services Price List (Florida Price List No. 3):

Dear Ms. Stauffer:

Enclosed, on behalf of MCC Telephony of Florida, LLC ("MCC Telephony"), please find an original and three (3) copies of proposed revisions to the Company's above-referenced telecommunications access services price list. The purpose of this filing is to make textual revisions to cross-reference MCC Telephony's primary intrastate switched access rates to the Company's interstate rates for equivalent services, as filed in its FCC access tariff, available at <u>https://apps.fcc.gov/etfs/public/lecTariffs.action?idLec=524</u>. At this time, MCC Telephony already sets its intrastate rates for these services based upon the Company's interstate rates. Consequently, this set of revisions will not result in any change to the Company's intrastate Florida switched access rates.

The following pages are included with this filing, with an issued date of October 6, 2017 and a requested effective date of October 11, 2017:

Please date-stamp the enclosed duplicate of this filing and return it in the envelope provided. If there are any questions concerning this filing, please contact me at (202) 945-6649 COM \_\_\_\_\_ or via email at wbrantl@kelleydrye.com. Thank you for your assistance with this matter.
