Subject: Docket No. 20170007 – Deny FPL’s request to bill customers for clean up costs

Dear FL PSC,

FPL customers shouldn’t have to pay to clean up the Company’s mess at its Turkey Point plant. It’s not fair for customers of a company, which made record profits last year, to pay clean up costs for a mess that’s been developing on the company’s watch for 40 years.

FPL should clean up its own mess. Please vote to deny FPL’s unfair request to saddle families with more costs and higher bills.

Our families' money should instead go to solar.

Sincerely,

Sincerely,  
Otto Zequeira
