

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Electric Utility Provider : FPL

Zip Code : 33408

Comments : We lost power for 1 hour on 9/11/17 between 1am and 2am so no real complaints. I was aware of many others not so fortunate, such my office on Military trail in PBG. I commend FPL for their equipment hardening efforts and really think it paid off well in the long run. Further hardening is required but a job well done all things considered!
