

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name :

Electric Utility Provider : FPL

Zip Code : 34997

Category : Power restoration time

Comments : Not even a Cat. 1 hurricane in our area yet power out for 4 days with no evidence of damage to any of the power lines or poles for miles around. What is going to happen when we do get a hurricane. Spent a lot of money on infrastructure improvement with little to no benefit after an event.
