

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Stephanie Masse

Electric Utility Provider : FPL

Zip Code : 34990

Category : Information provided by electric utility provider after the storm

Comments : The information coming from FPL was nil, the app did not work and the website gave no telephones to call. We were a small group of people w/o power and waited 6 days. In this great state of Florida and in this year that is not acceptable. Am thinking about going solar.
