

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Susan Scelfo

Electric Utility Provider : FPL

Zip Code : 33021

Category : Other

Comments : Still to this day, I have power line laying on my roof .One out of three lines was broke in half laying on roof. Had Energized appliances surges and light dimming and appliance dimming. They finally fixed line after a week, not knowing. But left the line laying on my roof. Never tightened it ! Basically ran out of energy complaining about Safety Hazard ! Waiting for house to burn down now !
