

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name :

Electric Utility Provider : Seco

Zip Code : 32162

Category : Other

Comments : Living in The Villages with underground utilities makes our lives so much better. We never lost power although parts of The Villages did. Although Irma caused so much havoc throughout the State, we were so fortunate with our electric company. Now if the debris could be taken care of as efficiently as restoring power, things would be back to normal... thank you for the job you do..
