

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Sara Turpel

Electric Utility Provider : FPL

Zip Code : 33317

Category : Information provided by electric utility provider after the storm

Comments : Power was restored in five days. However, the information was a mess. If the company's website can't even hold up, how can the power be restored? We're paying a fortune for power from a company that is a complete and total disaster.
