

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Stanley Tippin

Electric Utility Provider : FP&L

Zip Code : 32968

Category : Other

Comments : FP&L s overall effort in marshalling out-of-state help and restoring power to so many customers so rapidly, was truly phenomenal, and they certainly should be commended ! We take them too much for granted! I feel Florida is indeed fortunate to have FP&L as steward for so much of our electrical needs.
