

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Electric Utility Provider : FPL

Zip Code : 34982

Category : Power restoration time

Comments : When I was in High School at Dan McCarty High School, there was a law that guaranteed Flick and Flash could net 6% profit whether there were hurricanes or not. So I would like to know what the guaranteed rate is today? I would also like to do away with the computerized meter that I am penalized with?

Also, what is the process to eliminate the whore-filled Florida Public Service Commission?
