Subject: Docket No. 20170007 – Deny FPL’s request to bill customers for clean up costs

Dear FL PSC,

FPL SHOULD PAY IT, NOT THE PEOPLE OF FLORIDA!!

I understand that an expert in the case says that FPL’s clean up plan won’t even work. The Company should find a solution that actually stops the pollution from leaking underground. Customers like me should absolutely not have to pay for FPL failing to take action earlier to stop the pollution and for a clean up plan that may not work.

FPL should clean up its own mess. Please vote to deny FPL’s unfair request to saddle families with more costs and higher bills.

Sincerely,
Laura Morelli
