

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : linda drake

Electric Utility Provider : FPL

Zip Code : 34953

Category : Information provided by electric utility provider after the storm

Comments : Do NOT allow FPL to gouge their captive market client base - it's about time that their shareholders chip in on a natural catastrophe instead of allowing FPL to pass on all costs - it's just not right for FPL to be allowed to do so and it's *your* job as public servants over paid at that to do right by the taxpayers paying your salaries. THAT IS THE PURPOSE OF THE COMMISSION - Protect the rate payers!
