

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : earl bottorff

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 34233

Category : Power restoration time

Comments : My neighborhood of 67 homes was without power for nine days, starting on sunday afternoon sept.10 until tuesday afternoon sept.19 due to an existing tree condition which I feel should have been trimmed as normal power line maintenance. FPL has not maintained the local lines called "laterals" for years and should change their policy as to this important area
