Subject: Hurricane Preparedness and Restoration Review  
Docket 20170215-EU

Dear Ms. Brown

The Public Service Commission (PSC) posted a news release on October 3, 2017, announcing a planned review of electric utility hurricane preparedness and restorative efforts in Florida. We believe that to be an appropriate act by the PSC. We would like to be apprised of the meeting date and time for the associated public workshop and how we might effectively participate. Further, we request we be advised (by email, if possible) when a customer comment form is posted on your homepage for this docket.

Last, we would like to view any and all non-proprietary submittals from the various utilities when provided to the PSC. We presume such will be posted on the PSC website in advance of the planned workshop.

Thank you for continuing to ensure the provision of safe and reliable electric utility service in Florida at levels that meet or exceed established industry standards and practices.

Sincerely,

Jennifer K. Bramley, City Manager
