

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Gary Goodwin

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 34232

Category : Other

Comments : I just read that FPL want to add a surcharge to the upcoming power bills to recoup money spent on restoring power. We live in Florida. Instead of placing them back above ground, put them under ground. And limit the damage from storms. As for the surcharge why don't the ceo take a pay cut it should be paid off in a few months.
