Subject: DOCKET 20170151-WS OBJECTION TO SALE FROM HHEU,LLC TO HHU,LLC

Dear Florida Public Service Commission,

I object to the Transfer of the Water & Sewer Utility because I own my home and lot in fee simple and Rick & Chris Stephens filed an Interest against my private lot. They have never owned my lot and nor do they legally own any portion of it such as an Interest. They claimed Interests to land of 559 people in HHE the Subdivision. I want that Interest rescinded prior to Sale. My husband and I are "up there" as the saying goes. I am 93 and my husband is 90 years of age and we are on our last leg of life. We bought this mobile in Heather Hills and hoped to enjoy a quiet life- style. We were sadly mistaken if we thought we would enjoy the quiet lifestyle we both wanted The Stephens, Chris & Rick have kept this place in a total uproar. Life is a horror show for Senior Citizens—very difficult for us to keep up with the demands. We paid the yearly assessment (for nothing that we would use)—then we received a letter stating that it was illegal and NOT to pay it. BUT we receive statements from the Stephens to PAY it. At our age we retire early and do not use the club house nor do we shuffle. We receive a monthly bulletin from the Association explaining the whys and wherefores in regard to the confusing law suits that are always pending OR changed to a new date. I could write on and on, but surely you can see that it is a confusing mess for people of our age. Will someone PLEASE listen to the demands of Chris & Rick Stephens and help us. WHY did Mr. & Mrs. Stephens buy this place? Certainly NOT to provide a safe and pleasant place to live.

Thank you for listening,

Willina G. Dunning
