**Subject:** FPL rate increase for clean up at Turkey Hill & other lies

Dear Commissioner Brown,  
 FPL created the Turkey Hill mess, they and their shareholders are responsible for the cost and part of doing business.

Other lies include, the last 3 years, in bill and on radio and TV ADVERTISEMENTS, that their current rates were less than 10 years ago. Attached are my billings for last 22+ years at this address.

I have attached these records, in Excel format with all data including the below.

In the Viera hearing in 2013, FPL swore the had no intent of going to Time of Day pricing. See "Rates" attachment, Word format, which shows their rates for "Time of Day billing". These rates were included in bills for 2 years running.

Time to stop accepting your "Staff Recommendations" bought and paid for by FPL.
