CONSUMER COMMENTS

Here in Wedgefield we have single parents and young families that will not let their children drink or bath in the water. We have individuals on fixed incomes that will not let their pets drink, do not water their lawns, hand wash dishes and take sponge baths rather than showers due to quality and cost.

It is respectfully requested that you the Public Service Commission do the right thing and help us here in Wedgefield by denying the requested rate increase.

Thank you for the opportunity to comment,
