CONSUMER COMMENTS

I have been a Pluris customer since Oct. 2002. The purity and safety of the water has been in question during this time. My towels and other linens look dingy despite all my efforts at various detergents and stain removers. I believe the commodes and lavatory bowls and waster + dish washer have had unexpected wear+tear on surfaces -

main concern is ongoing cost of water - It is the only choice for me so I am at the mercy of Pluris and the Public Service Commission -
