BACKGROUND

Utilities Inc., of Florida (the "Utility") is a water and wastewater utility whose corporate offices are located at 200 Weathersfield Avenue, Altamonte Springs, Florida. The Utility's water and wastewater facilities are located in Charlotte, Highlands, Lake, Lee, Marion, Orange, Pasco, Pinellas, Polk, and Seminole Counties, Florida.

On August 31, 2016, the Utility filed an application with the Florida Public Service Commission (the "Commission") for an increase in its water and wastewater rates to its customers based on an historical test year ending December 31, 2015. Final rates and interim rates are based upon the same test year. The application is assigned Docket No. 160101-WS and November 22, 2016, was established as the official date of filing.
