Subject: Docket No. 20170007 – Deny FPL’s request to bill families for clean up costs

Dear FL PSC,

I OPPOSE FPL billing customers for the costs of cleaning up its mess at Turkey Point. Cleaning up the environmental mess it makes should be one of the costs of doing business, not an extra burden for the customers. Maybe FPL should be, and will be, more careful if it has to pay. Please vote to deny FPL’s unfair request to saddle families with more costs and higher bills.

Sincerely,
Gloria Garber
