Subject: Fwd: Docket # 20130265-WU , Little Gasparilla Water Utility

Dear Clerk of Court,

Please consider declining a rate increase for Little Gasparilla Island.

I pay an extraordinary amount for water currently. Even before water is used, my monthly bill is approximately \$100.00

I was required to hook up to the water system by the department of health which is understandable but having no other options but to pay this invoice is disappointing at best. We can't afford an even greater rate hike.

In addition, there has been a dispute with the land condo association we where my home is. Little Gasparilla Water Utility crossed the property North to South without permission from the association.

Please consider declining further rate hikes.

Thank you,

Property Owner:
