CONSUMER COMMENTS

As a resident of the Wedgefield Subdivision for the past 12 years, I have been involved in past meetings with the PSC and Pluris and its previous owners. In 2009 and 2013, the PSC granted the utility a raise each time, in spite of the outrageous price of our water and its substandard quality. The PSC does not have our best interests at heart as is evident in past decisions. I am hopeful this state entity will do what is right
