CONSUMER COMMENTS

this is to enformed you that we are
denying the increase that pluris
is trying to add to our bill. I
feel that the expense they went through is
part of the maintenance that pluris has
to provide to its customers. Their rates
exceeds the rest of Orange County
rates by a factor of 5 to 7 times.
The quality of pluris water is not the great
which has resulted in several investigations
including those by the PSC. I would like for
Orange County Utilities Commission to replace
pluris as our provider. Please de
the increase at this time. Thank you
