

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Joseph Spalding

Electric Utility Provider : EI801 - Duke Energy

Zip Code : 32707

Category : Other

Comments : That they want to raise rates to recoup costs after the hurricanes is ridiculous. It's been years since we've had a hurricane, the whole time they've just been banking tons of money, we pay more already just in case we get hit by hurricanes, their time to restore after the hurricane was terrible, and the raise they tack on now is never actually going to get removed years from now.
