

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Ellen Starbird

Electric Utility Provider : EC908 - Lee County Electric Cooperative, Inc.

Zip Code : 33904

Category : Other

Comments : I would like to see the electrical lines be placed underground. I was not able to get assistance in Cape Coral with cutting a tree that had fallen on my power lines, and we had to take care of it ourselves.

We were only out of (electrical) service for 15 hours. My neighbors across the street lost power for weeks.

I strongly support legislation requiring assisted living facilities having mandated power generators to last 72 hours after a storm.
