

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : wayne pass

Electric Utility Provider : EI801 - Duke Energy

Zip Code : 34448

Category : Other

Comments : Let Duke Energy pay for their own power line restoration. They collected 220 billion over ten yrs to not build a nuclear power plant under the Nuclear Cost Recovery Act. Let them use that money.

That is/was the biggest rip off of consumers in the history of the State of FL.
