Subject: RE: Petition to Intervene Placed in Wrong Docket

Thank you for bringing this to our attention, Takira. It appears that the filer put the wrong docket number on the pleading and on the efilng website when they submitted it.

ID	submitter	title	docket	Date Submitted
12706	samual.miller@akerman.com	Petition to Intervene - filed by Harbor Hills Development LP and Harbor Hills Homeowners' Association, Inc.	20170258	1/4/2018 3:39:44 PM

We will move DN 00113-2018 from incorrect Docket 20170258 to correct Docket 20170259 per your request below.

Subject: Petition to Intervene Placed in Wrong Docket

Hello Dorothy,
I was emailing to inform you that a petition to intervene (DN 00113-2018) has been placed in Docket No. 20170258-EQ that was meant for another docket. I believe the docket that it is supposed to go in is Docket No. 20170259-WU.

Thank you,
