PENINSULA PIPELINE COMPANY, INC.
REQUEST FOR CONFIDENTIAL CLASSIFICATION

Peninsula Pipeline Company, Inc. (“Peninsula” or “Company”), by and through its undersigned counsel, pursuant to Section 366.093, Florida Statutes, and consistent with Rule 25-22.006(4), Florida Administrative Code, hereby submits its Request for Confidential Classification for information contained in Exhibit A to its Gas Firm Transportation Service Agreement with Florida Public Utilities Company (“FPUC”). In support of this request, Peninsula hereby states:

1. Peninsula seeks confidential classification of the highlighted information in Exhibit A to the Firm Transportation Service Agreement (“Contract”) (page 9), in the column identifying the Maximum Daily Transportation Quantity (MDTQ). Peninsula likewise seeks confidential classification of the same information as it is identified in the line below the columns on Exhibit A, which states the Total MDTQ. In addition, Peninsula seeks confidential classification of the information in the line that identifies the Monthly Reservation Charge, as well as the highlighted amount in the line reflecting the Unauthorized Use Rate also on Exhibit A. The information is directly related to the negotiated rates and terms of the Contract, which both Peninsula and FPUC treat as proprietary confidential business information consistent with the definition of that term in Section 366.093, Florida Statutes.

Request for Confidential Classification

2. The information for which Peninsula seeks confidential classification is information that meets the definition of “proprietary confidential business information” as set forth in Section 366.093(3)(d), Florida Statutes, which provides:

(3) Proprietary confidential business information means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person’s or company’s business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public. Proprietary confidential business information includes, but is not limited to:

(a) Trade secrets.

(b) Internal auditing controls and reports of internal auditors.

(c) Security measures, systems, or procedures.

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

(f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

3. Release of the referenced information as a public record would reveal the specific rate included in a competitive contract. Disclosure of this information would impair Peninsula’s ability to compete for goods and services and provide its competitors with an unfair competitive advantage. As such, Peninsula requests that the Commission protect this information consistent with Rule 25-22.006, Florida Administrative Code. To the extent of Peninsula’s knowledge, this information is not otherwise available in the public domain.

4. Included with this Request is a highlighted copy of Exhibit A to the Firm Transportation Service Agreement. In addition, two redacted copies of the document are enclosed.

Request for Confidential Classification

5. Peninsula asks that confidential classification be granted for a period of at least 18 months. Should the Commission no longer find that it needs to retain the information, Peninsula respectfully requests that the confidential information be returned to the Company.

WHEREFORE, Peninsula respectfully requests that the highlighted information contained in Exhibit A to the Gas Firm Transportation Service Agreement with FPUC be classified as “proprietary confidential business information,” and thus, exempt from Section 119.07, Florida Statutes.

RESPECTFULLY SUBMITTED this 12th day of January, 2018.
