COMMISSION
CLERK

RE: Application for authority to transfer water and wastewater certificates of authorization to another utility. Docket # 20170151

Dear Commission Clerk:

Enclosed please find a copy of the Deed Restrictions as recorded in the public records of Manatee County for Heather Hills Estates.

Also, I have enclosed the recorded plat maps for Heather Hills Estates Unit 1-5 reflecting the Dedicated Easements.

Exhibit "A" of the purchase Agreement was omitted because there is no Fee Simple Real Estate included in this transaction.

On behalf of the utility,

Mike Smallridge.

323668

RESTRICTIONS, RESERVATIONS, EASEMENTS, RULES AND
REGULATIONS OF HEATHER HILLS ESTATES, AS PER PLAT
THEREOF; RECORDED IN PLATBOOK PAGE OF THE PUBLIC
RECORDS OF MANATEE COUNTY, FLORIDA

This indenture made and entered into this 8th day of March 1967, by HEATHER HILLS ESTATES, INC., a Florida corporation; hereinafter referred to as the Company, being the owner of all of the lands embraced in Heather Hills Estates Subdivision, as per plat thereof recorded in PlatBook 15, page 30 of the Public Records of Manatee County, Florida, being desirous of providing uniform restrictions, reservations, easements, rules and regulations, for said subdivision; does hereby impose and charge all of said subdivision for itself, its successors or assigns, with the covenants, easements, restrictions, conditions and charges hereinafter set forth, to-wit:

1. IMPROVEMENT: No mobile home, building [addition or accessory] or home, fence, wall, planting, exceeding two feet in height, or other structure or improvement shall be commenced, erected or maintained, nor shall any addition to, or change or alteration be made until the plans and specifications showing the nature, kind, shape, height, floor plan, materials, location and approximate cost of such structure, have been submitted to and approved in writing by the Company. The Company's failure to give notice of its approval or disapproval of such plans and specifications within thirty [30] days after receipt thereof shall be deemed to constitute its approval thereof.

2. EASEMENTS AND SET-BACKS: The Company specifically reserves unto itself an easement over the rear five [5] feet of each lot and over and across such other areas as are designated as easement on the plat of said subdivision, for use by the Company or the Company's assigns for utility installations and right-of-ways, or such other use as the Company may deem appropriate and the Company specifically reserves the exclusive rights in said easements and the exclusive right to lay utilities in the streets in said subdivision, and further, specifically reserves the fee title to the streets in said subdivision. There shall be a minimum set-back of five [5] feet from the rear & side and 10 feet from the front property lines, for all permanent or temporary structures or improvements. Where one mobile home occupies more than one lot, the set-back line shall be from the edge of the property line, rather than the edge of the lot line. The Company may, at its discretion, release any lot or parcel from the restriction or easement contained in this paragraph.

3. SEPTIC TANKS AND WELLS: No well or septic tank shall be constructed in said subdivision without prior written approval of the Company, and in no event shall the water from any well be used in any mobile home or piped into any mobile home, or used for human consumption.

4. USE: All lands included in this subdivision shall be used for residential purpose only, except for such lots or parcels as may be designated by the Company otherwise.

5. SIGNS: No signs or advertisements shall be displayed on the lots, right-of-ways, or any other part of the subdivision, except as specifically designated and approved by the Company.

6. STORAGE: No boat or boat trailer, travel trailer, camp trailer or any similar property shall be stored in said subdivision without the prior written approval of the Company.

7. MAILBOXES: Mailboxes shall be only of the design approved by the Company and may only be placed in such locations as are designated by the Company.

8. RECREATION AREAS: The areas designated on the plat of the subdivision as "Recreation Area" together with all the improvements thereon, shall remain the exclusive property of the Company who specifically retains the title to said recreation areas, and the right to make all of the rules and regulations pertaining to same, and the owners of lots in the subdivision shall have the right to use the recreation areas, in accordance with such rules and regulations as are propagated by the Company from time to time, and not otherwise.

9. ASSESSMENT: As part of the purchase price of each lot and as compensation for the privileges herein granted to utilize recreation areas and other common facilities, subject to the rules and regulations of the Company, the owner of each lot agrees to pay unto the Company an annual fee, to be fixed by the Company, its successors or assigns, not, however, exceeding, except as hereinafter set forth, the sum of \$90.00 per year for each lot, provided that the sum of \$90.00 may at the Company's option be increased in the same proportion as the cost of living index of the United States Department of Labor increases above such index on the date of recording of these restrictions. The assessment shall be uniform against all lots for the availability of facilities, without regard to the extent of use or non-use thereof by the several lot owners. Any and all charges made by the Company under this paragraph shall at the time of assessment provided herein constitute a lien on the lot against which made and be enforceable as provided for enforcement of mechanics liens under the laws of the State of Florida, or otherwise as the Company may deem expedient. The annual charge above-mentioned shall be used by the Company to first provide reasonable return on the Company's investment in the streets, recreation areas and common areas, and then for reasonable salaries for the Company's officers and reasonable fees and expenses for the Company and the Company's employees in managing said areas and the subdivision, and finally to the extent available, such annual charge shall be used for the maintenance of the recreation areas and common areas and to provide sewage disposal and street lighting for the subdivision and the usual and ordinary trash and garbage collection from each lot.

10. GARBAGE AND TRASH: All garbage shall be wrapped and placed in proper receptacles as designated by the Company and all garbage receptacles and trash shall be stored, until collected, in neat, clean and orderly condition, in such places as are designated by the Company to give the subdivision a clean and neat appearance.

11. CARE OF LOTS: Lot owners shall keep their lots in a neat, clean and orderly condition, the grass mowed and all bushes, shrubs and trees properly trimmed, and in the event that the owner of any lot shall fail to maintain the same as aforesaid, the Company reserves the right to enter upon such lot and care for the same and cut the grass and remove the rubbish and to trim all trees, bushes and plants and to charge the owner of said lot the actual cost of such upkeep, including office expense and supervisory expense, plus the sum of 15%, which charge shall be due and payable the first of the month following the performance of the work and shall be a lien upon the land to the same extent as the annual charge.

12. WASHING: All wash to be dried must be hung during hours approved by the Company on a special drying apparatus in the form of a folding rack or umbrella which shall be placed at the rear of each lot.

13. MOBILE HOME LIMITATIONS: There shall only be one mobile home on each lot and all mobile homes must be a minimum of thirty-two [32] feet in length, as designated on certificate of title, and a minimum of twelve feet in width, unless otherwise designated by the Company. All mobile homes must have concrete patio slab at least 10 x 20 feet and complete sanitary facilities, including among other things, a lavatory, wash basin, tub or shower, kitchen sink, and must be connected to the sewage outlets in conformity with State health requirements. The space from ground level to floor of mobile home must be enclosed with suitable materials approved by the Company, within thirty [30] days after being moved on the lot.

14. ANIMALS: No four-legged animals shall be permitted in the subdivision at any time, and no other pets which the Company deems obnoxious or annoying shall be permitted in the subdivision.

15. ZONING and PLANNING: No portion of the subdivision shall be re-zoned or re-platted without the written consent of the Company or the Company's successors or assigns.

16. VIOLATION: The restrictions set forth herein shall be covenants running with the land, and in the event of the violation

of same or in the event of the violation of any of the rules and regulations lawfully imposed by the Company pursuant to this instrument, including the failure to pay any charge imposed pursuant hereto, then the Company may bring any suit at law or in equity to enforce these restrictions, and said rules and regulations, and to collect any amount due, and the person or persons breaching these restrictions or any of the rules or regulations made pursuant here to, or failing to make any of the payments required hereunder, shall be liable for damages and shall further pay unto the Company all of the costs of said action, together with a reasonable attorney fee for the Company's attorney in bringing said action. Failure of the Company to enforce any restrictions, conditions, covenant or agreement, or rule or regulation made pursuant hereto, shall in no event be deemed a waiver of the right of the Company to enforce the same, as to the same breach or to one occurring prior or subsequent thereto, nor shall such failure give rise to any claim or cause of action against the Company by any lot owner, and the Company shall not be required to enforce any covenant set forth herein.

17. DURATION: All of the covenants set forth herein shall be deemed covenants running with the land, and unless otherwise voluntarily terminated by the Company, shall bind all persons and interests and all owners of all lots or any part of said subdivision, their legal representatives, successors and assigns, until January 1, A. D. 2000, except that Company may extend the same for successive periods of ten years each. If any provision of this indenture or the application of such provision to any person or circumstances shall be held invalid, the remainder of this indenture or the application of such provision to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby.

IN WITNESS WHEREOF, the Company has caused this instrument to be executed in its name by its proper officer thereunto duly authorized and its corporate seal to be affixed this the day and year first above written.
