# Aviso a nuestros clientes

El 23 de octubre de 2017, Florida City Gas (FCG) solicitó de la Florida Public Service Commission (FPSC) un aumento en la tasa base por la primera vez en los últimos 14 años.

Las tasas nuevas propuestas reflejarán el costo de las inversiones de capital que la compañía hizo para mejorar la seguridad y fiabilidad del sistema: desafíos en la capacidad de tuberías que han provocado el desarrollo de una estrategia de LNG y diseños asociados con una fuerza laboral envejecida y los costos implicados para abordar la brecha de habilidades de manera proactiva.

La FPSC llevará a cabo audiencias públicas con respecto a la solicitud de FCG para un aumento en la tasa base en los siguientes lugares:

6 p.m. Miércoles 23, 2018  
Coral Gables City Hall  
Commission Chambers  
405 Biltmore Way  
Coral Gables, FL 33134

9 a.m. Miércoles 24, 2018

Melbourne Brevard County Governmental Center  
Commission Chambers  
2725 Judge Fran Jamieson Way  
Viera (Melbourne), FL 32940

Se alienta a los clientes que estén presentes al principio de estas reuniones, dado que podría cerrarse la sesión de la audiencia pública una vez que todos los clientes presentes han tenido la oportunidad de hablar.

Cualquier persona que requiera acomodación en las audiencias debido a una discapacidad física debe llamar al secretario de la comisión y al departamento de servicios administrativos al 850.413.6770 por lo menos cinco días calendario antes de la audiencia. Cualquier persona con discapacidad auditiva o dificultad del habla debe comunicarse con la Florida Public Service Commission usando el servicio Relay de Florida al 800.955.8771 (TDD).
