**Re: Docket No. 20170215-EU - Review of electric utility hurricane preparedness and restoration actions STAFF'S THIRD DATA REQUEST**

Mr. Wesley Taylor,

Please see responses for Utility Board of the City of Key West d/b/a Keys Energy Services below.

1. Please provide the following information for a specific example where storm hardened structures incurred damage and required repair or replacement due to Hurricane Irma.

[Keys Energy Services experienced no damage to storm hardened structures that required repair or replacement due to Hurricane Irma.](#)

- a. A description of the damage incurred (i.e. broken pole, displaced underground vault, etc.).
- b. A description of the repair process, including a description of any temporary repairs that required a follow-up trip.
- c. A description of the repair process if the facilities had not been hardened.

Sincerely,

Lynne Tejada  
General Manager/CEO  
Keys Energy Services
