This complaint is of a general nature. It is not specific to storm restoration recovery and thus should not be included in Docket No. 20170272-EI. Please move this complaint to the general category of complaints.

Subject: Dukes Gouging

I moved from Hillsborough county 3 years ago. I was using more energy and paying way less bills. Now in St. Pete I have a new energy efficient home, use way less energy but pay an amazingly higher rate. Duke is a tyrant and needs to be held accountable.
