

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Marianne Batryn

Electric Utility Provider : EI801 - Duke Energy

Zip Code : 33707

Category : Other

Comments : It seems to me that when we do have these storms that come with high winds, utility lines are brought down by trees that are way overgrown around wires. It just makes sense to be more diligent in the trimming back of these trees so lines are safe
