

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Don Eckert

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 34116

Category : Information provided by electric utility provider after the storm

Comments : You have to allow for home owners to install a switch to go off the grid in cases of emergencies. There is no reason for us to be out of power when we have solar panels on our houses.
