

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Sharon Purtell

Electric Utility Provider : EI801 - Duke Energy

Zip Code : 33785

Category : Other

Comments : Dear Commissioners;

As a senior here in FL, I experienced 10 full days of no power during the last hurricane. Unacceptable. Where is the technology? All monies find their way into lining pockets of politicians. In this SUNSHINE STATE, why would one not invest in SOLAR POWER and batteries? Get with it people.
