

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Valerie Pflug

Electric Utility Provider : EC913 - Talquin Electric Cooperative, Inc.

Zip Code : 32333

Category : Power restoration time

Comments : I think Talquin Electric has done an incredible job over the last few years. I do not expect perfect service through every kind of weather. Talquin works hard to keep our power going with only minimal outage time in the worst conditions.

I just wish solar was more available to homeowners.
