

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Hugh Johnson

Electric Utility Provider : EM864 - Keys Energy Services

Zip Code : 33040

Category : Power restoration time

Comments : We need to encourage more solar and wind. My small solar system was not damaged at all in the hurricane. But the grid was down. I would like to see a shift to more reliable source such as wind and solar with independent regional grids.
