

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : James Radford

Electric Utility Provider : EC907 - Gulf Coast Electric Cooperative, Inc.

Zip Code : 32404

Category : Power restoration time

Comments : I urge the PSC to stop the foot-dragging being aided and abetted by the utility companies in their lobbying efforts.

Alternative energy production and enhanced storage methods are being pursued at a snail's pace in this state when they could be used to alleviate problems.

Thank you.
